H.E. Dr. William Samoei Ruto Commissions a Kshs. 19.4 Million Electrification Project Connecting 507 Households in Bomet East Constituency

His Excellency the President, Dr. William Samoei Ruto has today commissioned a transformer maximization project in Chemomul village, Bomet East Constituency, connecting 507 households.

The Chemomul project is part of the 33 projects being implemented by REREC in Bomet County at a total cost of Ksh. 317.8 million aimed at connecting 4,955 new customers on completion.

In the Central Rift region which includes Baringo, Bomet, Kericho, Nakuru, Narok, Nyandarua, and Samburu Counties, REREC is implementing a total of 444 electrification projects at a total cost of Kshs. 3.18 Billion that will connect 18,762 new customers on completion.

Rural Electrification and Renewable Energy Corporation is mandated to spearhead Kenya's renewable energy drive, in addition to implementing rural electrification projects.
