COVID-19 Vaccination

Covid-19 vaccination is now mandatory to all civil servants including employees of Ministries, Departments and Government Agencies who have up to 23rd August 2021 to get vaccinated.

Studies have shown that COVID-19 vaccines are safe and helps you even if you get ill from COVID-19. They also protect people around you.

Vaccination is being offered free of charge at all COVID-19 vaccination sites that have been listed by the Ministry of Health countrywide.

However, the World Health Organization cautions that, "Being vaccinated does not mean that we can throw caution to the wind and put ourselves and others at risk".

VACCINE

Despite having the vaccine, we must continue wearing masks, washing or sanitizing our hands, ensuring good ventilation indoors, physically distancing and avoiding crowds.

REREC donates books to schools

Rural Electrification and Renewable Energy Corporation (REREC), has donated text books to schools in Tharaka-Nithi and Tana River Counties.

The donations are part of the Corporation's effort to address the shortage of books needed to give pupils and students in the two counties a chance at optimal learning despite the challenges they face in accessing learning materials.

One of the Corporations CSR policy objectives is to play a key role in securing a better future for learners. This can be achieved through access to learning materials.

Institution	Type of Donation Received
Wachakone Secondary School in Galole Constituency, Tana	Donation of text books and classroom stationery
Ndurumoni Primary School in Tharaka Constituency, Tharaka Nithi County	Donation of text books and classroom stationery
